CA

Country Analysis

PRE-DEPARTURE

OBJECTIVE

Prepare the participant for a structured understanding of the destination country prior to assumption of duties — political, institutional, economic and cultural dimensions.

EXPECTED OUTCOME

Structured reading of the political, institutional and cultural environment enabling a better-prepared assumption of duties and faster understanding of the assignment context.

TARGET PROFILES

- Diplomats and embassy staff
- International experts
- Programme managers
- Economic delegations
- Investors (implantation)

COMPETENCIES DEVELOPED

- Political landscape
- Key actors and networks
- Economic dynamics
- Local cultural codes
- Intercultural challenges

Format • Duration • Modality — In-person • Remote — 3 days • 18h — Beginning of month

RA

Regional Analysis

PRE-DEPARTURE (REGIONAL)

OBJECTIVE

Prepare missions with a regional dimension. Analysis of the political, institutional, cultural and economic dynamics of the West African sub-region.

EXPECTED OUTCOME

Understanding of regional dynamics influencing the political, economic and institutional environments in which the assignment takes place.

TARGET PROFILES

- Regional programme managers
- Heads of regional delegations
- Multi-country experts
- Sub-regional economic delegations

COMPETENCIES DEVELOPED

- Sub-regional dynamics
- Regional cultural codes
- ECOWAS, WAEMU
- Networks of influence
- Anticipating regional trends

Format • Duration • Modality — In-person • Remote — 3 days • 18h — Beginning of month

HCOI**Host Country Orientation & Immersion**

POST-ARRIVAL · IN-MISSION

OBJECTIVE

Support the operational and personal integration of recently arrived professionals, or expatriates already in post wishing to deepen their understanding of the local context.

EXPECTED OUTCOME

Faster integration into the local environment and better understanding of the institutional, professional and cultural realities of the host country.

TARGET PROFILES

- Expatriates taking up post
- Expatriates already in mission
- Newly assigned international staff
- Accompanying families

COMPETENCIES DEVELOPED

- Local social codes
- Informal protocols
- Relations with local partners
- Adapting to the field
- Personal integration

Format · Duration · Modality — In-person · Remote — 3 days · 18h — Beginning of month

Can be mobilised at any stage of a posting.

IC**Intercultural Competencies**

PRE-DEPARTURE · IN-MISSION

OBJECTIVE

Strengthen intercultural effectiveness before or during an international assignment. Analysis of relational dynamics and decoding of local codes.

EXPECTED OUTCOME

Improved ability to interact effectively in intercultural contexts and to develop professional relationships adapted to local realities.

TARGET PROFILES

- Professionals in international mobility
- Diplomats, aid workers, experts
- Managers in multicultural environments

COMPETENCIES DEVELOPED

- Intercultural misunderstandings
- Non-verbal communication
- Adapting professional postures
- Relations with local teams
- Sensitive environments

Format · Duration · Modality — In-person · Remote · Tailored — On request

Can be mobilised before departure or at any point during an assignment.

D&N**Diplomacy & Negotiation**

SPECIALISATION

OBJECTIVE

Strengthen negotiation competencies in international institutional contexts. Preparation for the dynamics of multilateral diplomacy and economic exchanges.

EXPECTED OUTCOME

Strengthened capacity to conduct institutional, diplomatic or economic exchanges in complex or sensitive environments.

TARGET PROFILES

- Diplomats and institutional representatives
- Cooperation managers
- Heads of economic delegations
- Partnership and negotiation experts

COMPETENCIES DEVELOPED

- Multilateral diplomacy
- Institutional negotiation simulations
- Formal and informal power dynamics
- Transnational partnerships
- Sensitive institutional communication

Format • Duration • Modality — In-person • Remote • Tailored — On request

IL**Intercultural Leadership & Field Coordination**

MANAGEMENT MODULE

OBJECTIVE

Strengthen the capacity to manage multicultural teams and coordinate within complex institutional environments in West Africa.

EXPECTED OUTCOME

Strengthened capacity to coordinate multicultural teams and manage professional and institutional interfaces.

TARGET PROFILES

- Project managers and field coordinators
- Multicultural team managers
- Managers in institutional coordination
- Heads of economic delegations

COMPETENCIES DEVELOPED

- Adapted management posture
- Multicultural communication
- Coordinating diverse teams
- Institutional interfaces
- Leadership in sensitive environments

Format • Duration • Modality — In-person • Remote • Tailored — On request
